

MACK® TITAN

# BUILT TOUGH FOR THE TOUGHEST JOBS.

## MACK TITAN

Developed to take the hard work out of the tough jobs, the Mack Titan is best suited for those heavy and challenging loads. Perfect for road train, triple and quad applications, where payload is high and the distances are demanding.

**BORN READY.**

# MACK® TITAN

## KEY FEATURES

The ultimate truck for the toughest conditions. Perfect for severe heavy duty and demanding haul applications

MP10 engine delivers up to 685hp and 2,300lb.ft. (3,810 Nm) torque

mDRIVE automated manual transmission with deep reduction gears, takes all the effort out of gear changes and provides flexibility in low speed applications

Mack PowerLeash offers ultimate engine braking control under demanding conditions

“Road Stability Advantage” rollover prevention

Great fuel economy and low emissions

Quiet and comfortable cab

Designed and built in Australia for Australian conditions

## Comfortable Interiors

The Mack Titan comes with new levels of driver comfort and functionality, to keep drivers comfortable and safe all day. Tilt/telescoping steering column, air suspension driver seat and all controls within reach keep drivers in control.

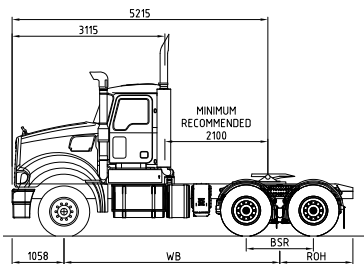

## Total Support

Mack Genuine Parts are as tough as your truck. With premium materials and precision engineering, they're built to take whatever the road can throw at them. Mack Total Support gives you the added confidence of warranties, servicing and maintenance from the people who made your machine.
